## BIBLE STUDY CLASSES

**SUNDAY, 9:30AM (ALL AGES)**

**TUESDAY, 7:00PM (ADULT)**

**THURSDAY, 10:00AM (ADULT)**

## **Sunday Morning Adult Sunday School**

Most of our learning about God, Jesus, the Holy Spirit, and the Bible comes through Sunday morning study in Sunday School. Sunday Schools began as schools for the poor. They were created in England around the year 1780. The schools provided rudimentary instruction to working people on their free day. Now, we use Sunday School to widen and deepen our understanding of Christianity, and to help our faith grow.

### **Explorers Class, Room 201**

This class studies general Christian beliefs and Christian history. A variety of video sources have been used to explore diverse facets of Christian belief and the history of the Church. Currently, the membership consists of “grown-up-in-the-church” members, but anyone is welcome to attend.

### **The Upper Room Class, Room 204**

This class is devoted to the study of the Bible and learning more about God’s word. These studies are used as a means of gaining a better understanding of the Bible and strengthening our faith. The members currently consist of both singles and couples who have an interest in an intense study of the Bible. A standard curriculum is used, supplemented by videos and personal experiences. In addition to Sunday School, the Upper Room Class is mission-oriented and involved in community outreach throughout the year. These joint studies and experiences give the members a feeling much like being in an extended family.

### **Explore the Bible, Room 109**

The Explore the Bible Class is an adult Sunday School class designed in a “cafeteria” style. Everyone can select the spiritual “foods” that nourish them. The goal is to interpret the Scriptures to be meaningful in our daily lives. This class uses lesson books as a starting point and uses the white marking board to assist group interaction. This class began as a young adults class, but has evolved to be international, which gives it perspective and flavor.

## **Good News Class, Room 207**

The Good News Class is an adult Sunday School class which follows a regular study program but doesn’t feel bound by it. Using the lesson as a starting point, each class session may explore an aspect of the lesson in depth or relate it to modern religious questions or contemporary events. Everyone is welcome to be a regular or intermittent member, as the Spirit moves you.

## **Other Sunday School Classes**

**NURSERY I**, Room 105: This class is for our youngest churchgoers with cribs available for children 0-2 years old.

**TODDLERS**, Room 104: This class is for children ages 2 and 3. The children learn about different people in the Bible, like Noah, Joseph and Mary, with lots of story books.

**KINDERGARTEN**, Room 106: This class is for children ages 4 and 5.

**1st, 2nd & 3rd GRADES**, Room 107

**4th, 5th & 6th GRADES**, Room 108

**7th-12th GRADES**, Room 211: This class is led by our Youth Director, Joseph Mendez. The class teaches about the word of God through specialized materials and open discussions. Both students who have been in the Church for years, as well as those new to the faith, are welcome.

## **Weekday Bible Study**

In addition to our Sunday Morning sessions, our pastor teaches two verse-by-verse bible studies on Tuesday evenings at 7:00pm and Thursday mornings at 10:00am.
